

# B809

## PROTECTION & PERFORMANCE

Safety never looked so good. B809 combines protection and performance to protect you from blue light as well as the environment thanks to its protective side shields. Maintain the highest levels of productivity at work no matter the circumstances thanks to this minimalist yet brilliant unisex and timeless frame designed with PrB lenses which absorb 80% of harmful blue light at 445nm.

**CLEANING & STORAGE**

**CLEANING:** The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

**MAINTENANCE:** Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfiber pouch or rigid case.

**STORAGE:** All products must be stored in a dry and clean environment.
