

Classic Wood Splitting Knife (S) Red

The Morakniv Classic knives are a true story. They are our tribute to the Swedish handicraft tradition that we have been part of for over a century. This knife has a 115 mm long blade and is made for splitting wood into kindling, to help you start a fire.

The kindling knife has a stainless steel blade. The characteristic barrel-shaped red-stained birch handle was first introduced around one hundred years ago with the ambition to portray an exclusive mahogany knife. In the decades since, it has grown into one of the most beloved lifestyle knives in the world - a timeless Morakniv in its purest form.
