

CURA-F

VERSATILE & REUSABLE FACESHIELD

This reusable and user-friendly faceshield was specifically designed and developed for healthcare professionals. Compatible with all prescription glasses, CURA-F is perfectly suited to provide effective protection against viruses, droplets and splashes. Easily assembled, adjusted, and cleaned, it ensures long-lasting comfort, performance and reliability. CURA-F is designed, manufactured and assembled in the UK using locally sourced sustainable materials. Because protecting the planet means protecting lives in the long term.

LENS & FRAME MARKINGS

UK CA The UKCA (UK Conformity Assessed) marking is a new UK product marking that is used for goods being placed on the market in Great Britain (England, Wales and Scotland). It covers most goods which previously required the CE marking.

CE European standard

Bollé Safety product approval certificates to standards will be sent on request.

 Manufacturer name

TECHNOLOGIES

PLATINUM LITE

The new exclusive scratch and fog resistant PLATINUM® coating guarantees even more safety, reliability and comfort. Washable (water and soap), this permanent coating applied on both sides of the lens makes it highly scratch resistant and durably delays the appearance of fogging.

CLEANING AND STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
