14478 - Companion Spark Emergency (S) Hi-Vis Red/Burnt Orange

Data Sheet Created: 04-11-2024

A robust survival knife designed for emergencies when your hands alone aren't enough. The ergonomic handle, combined with the durable Swedish stainless steel knife blade, gives you optimal strength and control when you need to apply force. Ideal for cutting small branches, freeing yourself from ropes, or clearing obstacles. The integrated fire starter ensures you can quickly light a fire when needed. Make the most of the knife's capabilities by learning its functions in advance, so you're ready when the situation gets critical.

- Ergonomic handle in bright signal colors with integrated high-performance fire starter that sparks in all weather conditions.
- 2.5 mm thick, partially serrated with a blunt-tip knife blade and a Scandi grind, made from world-class high-quality Swedish stainless steel.
- Equipped with reflective paracord to reduce the risk of losing both the knife and fire starter.
- Specially designed knife spine compatible with a fire starter that strikes sparks in any weather condition.
- Durable polymer knife sheath with belt clip that can be attached to your gear.
- Made in Mora, Sweden.
