PERFORMANCE
FOR THE EXTREME ELEMENTS

QUANTUM

KASK

EXTERNAL SHELL

NEW MATERIAL

PC-PBT: a blend of Polycarbonate and Polybutylene Terephthalate

HIGHLIGHTS

High impact resistance
High heat and flame resistance
Greater chemical resistance

UNEQUALED
OUTER
PROTECTION

QUANTUM

INTERNAL SHELL

HIGH DENSITY EPS INTERNAL SHELL

High Density Expanded Polystyrene foam interior for all-around impact absorption and improved comfort.

THERMOFORMED POLYSTYRENE COVER

Protects HD EPS internal shell from wear, tear, and soot. Enhances lifespan of shell and enables easy cleaning.

HIGHLIGHTS

- Robust impact energy absorption
- Outer surface protects against wear and tear
- Easier to clean
- Higher durability

UNEQUIVOCAL
INNER
PROTECTION

INNER PADDING

(FR VERSION AVAILABLE AS SPARE PART)

DRY+ LINER

Multilayered composite fabric with advanced moisture-wicking properties.

CLICK-IN SYSTEM

Inner padding attachment system with red pins that enables easy removal and replacement.

HIGHLIGHTS

- Dries quickly
- Odor control
- Soft feel on skin
- Easy replacement and removal
- Moisture control on forehead
- Increased durability

KASK

CABRIO VENTS

HEAT STRESS MANAGEMENT

OPEN-CLOSE VENTILATION CHANNELS

14 air intakes protected by a sliding closure system for enhanced breathability whenever it's needed.

ANTI-INTRUSION MESH

Metal mesh that prevents debris and sparks from entering the helmet while maintaining breathability.

HIGHLIGHTS

Enhanced breathability and airflow
Easy open and close for quick adjustments
Protected from debris and small objects

FAST
COOLING
COMFORT

* Feature only available for the Quantum Cabrio

QUANTUM

SET UP OPTIONS

EASY CLICK SYSTEM

Quick and easy pressure mount system
Compatible with all ZEN eye and face protection

FRONTAL SLOT

Badge holder and headlamps
Covered with dedicated cap to protect from dust/dirt

UNIVERSAL EARMUFF SLOT

30mm standard universal mount

NECK PROTECTION SLOT

Ready to accept KASK weather protection products

HIGHLIGHTS

A wide possibility of configurations
Allows for easy customization
